Q1 Read the story and answer the questions given below.

WHO IS HAPPY?

A crow lived in the forest and was absolutely satisfied in life. But one day he saw a swan. 'This swan is so white and I am so black'...crow thought. This swan must be the happiest bird in the world. He expressed his thoughts to the swan. The swan replied. " I was feeling that I was the happiest bird around until I saw a parrot, which has two colours. I now think that parrot is the happiest bird. The crow then approached the parrot. The parrot explained. " I lived a very happy life until I saw a peacock. I have only two colours but the peacock has multiple colours. The crow then visited the peacock in the zoo and saw that hundreds of people had gathered to see him. After the people left, the crow approached the peacock. The crow said 'Every day thousands of people come to see you, but when people see me they shoo me away. You are the happiest bird on the earth'. The peacock replied " no my dear friend, because of my beauty I am trapped in this cage. Crow is the only bird in the zoo which is not kept in a cage."
