ENGLISH ASSIGNMENT 1

Q1. Read the following poem and answer the given questions:

A bird came down the walk:
He did not know I saw.
He bit an angleworm in
halves and ate the fellow,
raw.

And then he drank a
dew from a
convenient grass,
And then hopped sidewise to
 the wall to let a beetle pass.

He glanced with rapid
eyes That hurried all
abroad, --
 They looked like frightened beads,

I thought; He stirred his velvet
head Like one in danger.
cautious, I offered him a
crumb, and he unrolled
his feathers and rowed
him softer home

Then oars divide the ocean,

Too silver for a seam,
 Or butterflies, off banks of noon,
Leap, splash less, as they swim.
