Dear Parents,

We wish you and your child a very happy summer holidays. It's time to enjoy and create a bond with family, friends and relatives. To utilize this time in the most constructive way we have prepared Holiday Homework for the students on the principle of 'learning by doing' for their holistic development.

Some important instructions:

1. It's high time for all to be fit and active even by staying at home.
2. Daily exercise is must for all.
3. Eat healthy and avoid junk food.
4. Avoid heavy and oily food and increase intake of fresh fruits and water to keep you well hydrated and energetic.
5. Read newspaper daily to enhance your writing skills and vocabulary.
6. The holiday homework carries marks.
7. All the activities are to be done as instructed.

About the project -In this multidisciplinary project, students will embark on an exciting journey to explore the wonders of wildlife. Through a blend of Hindi, English, Maths, and Art, students will learn about various animals, their habitats, behaviors, and the importance of conservation.

TOPIC : EXPLORE THE WONDER OF WILDLIFE

Project Components:

HINDI -Animal Names and Descriptions:

- o Learn the names of common animals in Hindi.
- o Describe each animal using simple Hindi sentences.
- o Create flashcards with the animal's name written in Hindi along with a small description.

English -Animal Stories:

- o Read simple English stories about animals and their adventures.
- o Retell the animal stories in their own words, emphasizing key plot points.
- o Create illustrated storybooks depicting their favorite animal stories.

Maths - Counting and Patterns:

- o Create simple addition and subtraction problems using animal illustrations.
- o Identify and create patterns inspired by animal markings or habitats.
- o Practice counting using wildlife- such as counting the number of stripes on a zebra or spots on a giraffe etc .

Art - Wildlife Artwork:

- o Study different artistic styles and techniques used to depict animals.
- o Create wildlife-themed artworks using various mediums such as crayons, watercolors, or clay.
- o Collaboratively create a mural depicting a wildlife scene, with each student contributing their own piece.
