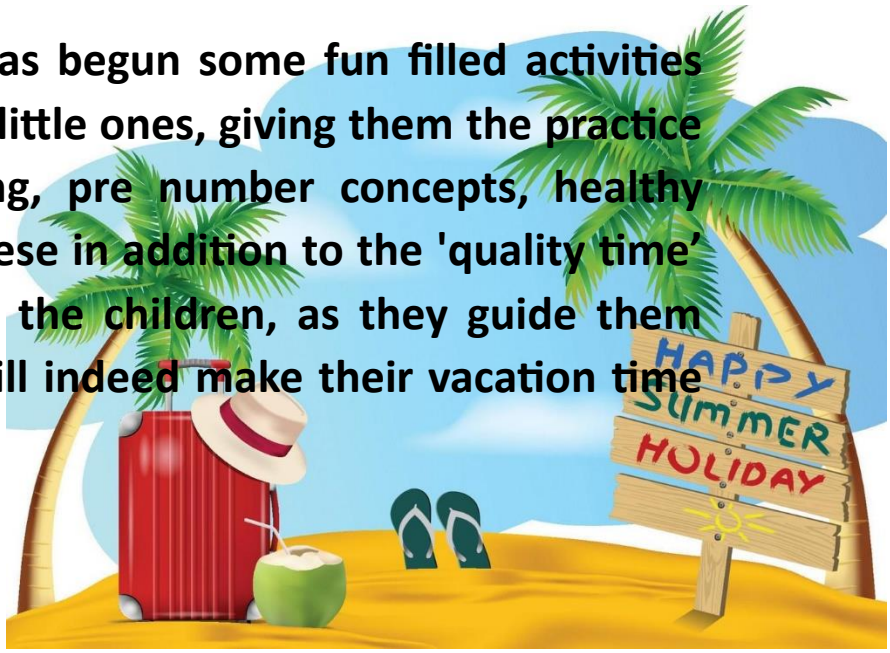
SANT NIRANKARI PUBLIC SCHOOL, GOVIND PURI
CLASS- PRE PRIMARY

Dear parents,



As the summer vacation has begun some fun filled activities have been planned for the little ones, giving them the practice of phonic sounds, counting, pre number concepts, healthy living, life skills etc... All these in addition to the 'quality time' spent by the parents with the children, as they guide them through these activities, will indeed make their vacation time more fun and fruitful.

FOR PARENTS: -

Let's try something amazing this vacation.
Encourage your child to converse in English
Make your child join a new activity (ART, DANCE, SPORT ACADEMY)
Help your child revise every work done so far.

We at SNPS have planned some interesting projects and activities for our children which will keep them engaged under your supervision and guidance. We wish you all the very best. Stay safe, stay healthy, Stay happy.

Regards and lots of love.
